

National Technical University of Ukraine “Igor Sikorsky Kyiv Polytechnic Institute”

Faculty of Sociology and Law

UNIVERSITY'S VISION AND MISSION

Our vision

To be a world-class research university. To increase the body of knowledge in the natural sciences, engineering, the social sciences, and the humanities. To train highly skilled professionals able to cooperate with their colleagues around the world to develop innovative technologies for the good of humanity.

Our mission

To contribute significantly to the sustainable development of society through internationalization and the integration of education with the newest research and innovative developments.

To create the best conditions within the educational and scientific environment for the comprehensive development of a professional, intellectual, social, and creative personality.
